Meetinghouse Church Overview:

Meetinghouse Church is an independent Congregational community that covenants together to follow Jesus and care for our neighbors, near and far. Although founded in 1946, in recent years, we have been working through a time of significant transition as we clarified our core values, changed our name, and worked to adapt to challenges within our congregation and around our community. Our church is located in Edina, a southwest suburb of Minneapolis MN, but our members come from many areas of the Twin Cities and from many different denominational backgrounds and preferred worship expressions. We have ministries that cover all life stages including NextGen (children, youth and young adults), Adults and Seniors. We are known for our commitment to excellent music and worship, our generous giving and volunteering, and our extensive and long-standing missional outreach at home and abroad. These Core Values capture our spirit and our aspirations: Welcome Beloved, Risk the Messy Path of Faith, Wrestle with the Tensions in God's Word and World, Immerse in Sacred Spaces and Rhythms, and Do Good for Christ's Sake.
